### INFO

---

Designed for use on closed course competition circuits, the Muffler Bracket (Aluminium) is aimed at riders that intend to use the bike on track days – or without a passenger. The fitting of the muffler bracket gives a sleek, racing look to the exhaust system. Constructed using black-coated aluminium and designed to be used in conjunction with the Akrapovič Slip-On Line (Carbon), it is a straightforward installation and when fitted eliminates the use of the stock passenger footpegs.
