

CFMOTO 450SR / 450NK

Product Name: **Slip-On Line (Carbon)**

Product code: **S-CF4S01-APC**

Approval: W/O

MSRP ex. VAT: 455,00 €

INFO

This product is designed with an attractive racing look featuring a short muffler constructed with a handmade carbon-fibre outer sleeve and end cap. Race-proven materials, including a high-grade stainless-steel link pipe and muffler inner structure, result in a weight saving of 64.9% (2.6 kg) over the standard stock exhaust. The engineers' aim during development was to achieve the best possible throttle response while also focusing on aesthetics, sound, and weight reduction. Designed for use on closed-course competition circuits, the Slip-On Line (Carbon) delivers a deep racing tone and has plug-and-play installation, with no remapping required.

An optional aluminium muffler bracket is also available, which eliminates the use of the stock passenger footpegs.

THIS PRODUCT DOES NOT MEET EMISSION COMPLIANCE REQUIREMENTS FOR STREET OR HIGHWAY USE.
