---

Product Name: **Slip-On Line (Carbon)**

Product code: **S-H10S029-APC**

Approval: W/O

---

**MSRP ex. VAT: 896,00 €**

---

## INFO

---

Constructed from race-proven materials: carbon fibre for the muffler sleeve and titanium for the end cap and link pipe, the racing-inspired design has a smaller sportier appearance and that exhilarating Akrapovič sound to heighten the senses. It is a simple plug-and-play installation with no remapping needed, and is designed for track use and markets where EC/ECE-type approval is not required. There are optional headers for improved torque and power, especially from the mid-range upwards.

If passenger footrests are removed optional aluminium or carbon fibre muffler bracket is needed.

THIS PRODUCT DOES NOT MEET EMISSION COMPLIANCE REQUIREMENTS FOR STREET OR HIGHWAY USE.
