

Kawasaki Ninja 650

Product Name: **Racing Line (Titanium)**

Product code: **S-K6R14-HEGEHT/2**

Approval: EC, ECE

MSRP ex. VAT: 1.577,50 €

INFO

This is a full system consisting of a high-grade lightweight titanium muffler and stainless-steel headers, and finished with a beautifully handmade carbon-fibre endcap. It offers increased performance across the rev-range and a weight decrease over the stock system, which will aid handling, and is also EC/ECE type approved. It has a deeper, sportier sound that adds to desirability. With easy-to-follow installation instructions, the Racing Line is a simple plug-and-play system that needs no remapping.

Catalytic converter is included within the system.

Product fits on motorbikes with stock exhaust with double lambda sensor.
