

# Yamaha XSR125 / XSR125 Legacy

---

Product Name: **Racing Line (Titanium)**

Product code: **S-Y125R13-HBFGT**

Approval: EC, ECE

---

**MSRP ex. VAT: 855,00 €**

---

## INFO

---

This complete system is constructed with high-grade stainless steel and is finished with a lightweight titanium muffler outer sleeve for a weight savings of 41.6% (2.2 kg) over the standard stock system. It is fitted with a 600 cpsi catalytic converter in the middle of the perfectly formed link pipe to ensure the system meets EC/ECE and Euro 5 + approval.

The conical shape of the muffler, with its compact shape, follows the lines of the bike's heritage design. The exhaust system has been tuned to facilitate a flawless throttle response from the full-power 125 cc engine while supplying a deep sound, completely harmonized with the bike's single-cylinder configuration. It has a simple plug-and-play installation, with no remapping needed.
