

# Yamaha R3

---

Product Name: **Racing Line (Carbon)**

Product code: **S-Y3R3-APC**

Approval: W/O

---

**MSRP ex. VAT: 817,00 €**

---

## INFO

---

The Racing Line represents a full step in the exhaust system tuning process and offers a great balance between price and optimum performance.

Racing performance exhaust systems are designed for riders that demand maximum performance from their motorcycle. The systems are lighter compared to the stock exhaust system and feature exceptional production quality and increased engine performance combined with pure racing sound output.

A combination of racing materials like carbon fibre for the muffler outer sleeve and for the end cap give these exhaust systems a racing touch. Both M12 and M18 lambda sensors can be used on this system.

When installing the Racing Line exhaust system on Euro5+ motorbikes (2 lambda sensors), the engine check light will appear after identifying a deviation in the stock catalytic converter's parameters.

THIS PRODUCT DOES NOT MEET EMISSION COMPLIANCE REQUIREMENTS FOR STREET OR HIGHWAY USE.
