

Yamaha TMAX

Product Name: **Racing Line (Titanium)**

Product code: **S-Y5R9-HILT**

Approval: EC, ECE

MSRP ex. VAT: 1.614,60 €

INFO

This latest version of the Euro5 + EC/ECE type-approved Racing Line (Titanium) exhaust system is composed of a high-grade titanium muffler outer sleeve – which is sandblasted for a perfect finish – and a stainless-steel link-pipe and headers. It is finished with a carbon-fibre end-cap – a distinctive design with the Akrapovič logo embossed on it. Meeting Euro 5 approval, this complete exhaust system with a new muffler design also comes with a carbon-fibre heat shield, as well as a catalytic converter. Weighing in at 1.9 kg (21.9%) lighter than the standard stock system, the Racing Line (Titanium) offers optimum throttle response and serves up a deep and vivid Akrapovič sound, all from a simple plug-and-play installation with no remapping required.

Exhaust system fits on Yamaha TMAX Tech MAX version.
